

DC Talk, Duel Madness

Gotta find a way just to play just a little game
Got a compulsion wanna be a champion
Gotta feel the heart, gotta be smart, play the card
Gotta get inside the mind of my counterpart! Yeah!

Got the key, I'm two split personalities
Duel Sensation that's my destiny!

I got!

Chorus: Duel Madness! In my brain!
Monster influence in my veins!

Gotta find a way inside this fantasy
Holographic dueling monster reality
Gotta find a way, gotta see my strategy!
I'm Yu-Gi-Oh! I'm a duel duality!

Chorus:

(Crowd roars)

Yami Yuugi: Will Yuugi control the power,
or will the power control Yuugi?

You got a card face down, face up now, show down!
Say da words out loud! Duel Madness!

Chorus:

Sick-a-pow, sick-a-pow, sick-a-sick-a-pow-pow,
wanna do, wanna do, what I wanna wanna do!
(repeat 4x with chorus. fade to end)
