

# DC Talk, It's The End Of The World As We Know

That's great, it starts with an earthquake,  
Birds, snakes, and aeroplanes  
You know I am not afraid.

Eye of a hurricane, listen to yourself churn  
World serves its own needs, dummy serve your own needs  
Feed it like an aux feeds, grunt, no, strength, no  
Ladder starts with a clattered gear found high  
Wire in a fire represents a seven gauge  
In a government rage

Chorus:

It's the end of the world as we know it  
It's the end of the world as we know it  
It's the end of the world as we know it and I feel fine

That's great, it starts with an earthquake,  
Birds and snakes, and aeroplanes  
Toby Mac has never, ever, ever been afraid

Eye of a hurricane, listen to yourself churn  
World serves its own needs, dummy serve your own needs  
Feed it like an aux feeds, grunt, no, strength, no  
Ladder starts with a clattered gear found high  
Wire in a fire represents a seven gauge  
In a government rage
