

# DC Talk, Jesus Is Just Alright (Retro Mix)

Jesus is still alright with me  
Jesus is still alright, oh yeah  
Jesus is still alright with me  
Jesus is still alright

Toby Mac, and the Mac is back no slack  
On a DC track that's jacked, beyond comprehension  
I believe that I failed to mention  
That there's a lack of recognition  
When it comes to his position  
Cause if Christ can't be crossed over  
Then I'll keep my beat up nova

I don't care what they may say  
I don't care what they may do  
I don't care what they may say  
Jesus is still alright

Jesus is still alright with me  
Jesus is still alright, oh yeah  
Jesus is still alright with me  
Jesus is still alright

Back in place, and I'm all up in your face  
With a rhyme that I embrace  
Like a mother to her child  
I'm kickin' it Jesus style  
To the ones that think they heard  
I did use the "J" word  
Cause I ain't too soft to say it  
Even if DJ's don't play it

Jesus is alright, I know  
He's alright Jesus is alright, you know  
He's alright Jesus is alright, we know  
He's alright Jesus is alright, we know  
He's alright

I'm down with the one that is known as the  
Son Of the G to the O to the D never done  
With the flow, in the know, on the go like a pro  
Not for show cause I ain't in the biz for the dough  
Or the me, or the ray, all the dough's gotta stay  
Cause I can't, no I can't, take it home anyway  
Never trite when I write cause the Lord is my light  
And his Word is my bond so ya know, He's alright
