DC Talk, Jesus Is Just Alright (Retro Mix)

Jesus is still alright with me Jesus is still alright, oh yeah Jesus is still alright with me Jesus is still alright

Toby Mac, and the Mac is back no slack
On a DC track that's jacked, beyond comprehension
I believe that I failed to mention
That there's a lack of recognition
When it comes to his position
Cause if Christ can't be crossed over
Then I'll keep my beat up nova

I don't care what they may say I don't care what they may do I don't care what they may say Jesus is still alright

Jesus is still alright with me Jesus is still alright, oh yeah Jesus is still alright with me Jesus is still alright

Back in place, and I'm all up in your face With a rhyme that I embrace Like a mother to her child I'm kickin' it Jesus style To the ones that think they heard I did use the "J" word Cause I ain't too soft to say it Even if DJ's don't play it

Jesus is alright, I know He's alright Jesus is alright, you know He's alright Jesus is alright, we know He's alright Jesus is alright, we know He's alright

I'm down with the one that is known as the Son Of the G to the O to the D never done With the flow, in the know, on the go like a pro Not for show cause I ain't in the biz for the dough Or the me, or the ray, all the dough's gotta stay Cause I can't, no I can't, take it home anyway Never trite when I write cause the Lord is my light And his Word is my bond so ya know, He's alright
