

# De Heideroosjes, Do You Wanna Die?

You wanna join the army  
Visit beautiful countries  
Meet interesting....and kill them!

You wanna march on with your boots  
in the rain forests of Brazil  
See some endangered species....and kill them!

(Chorus)  
Do you wanna die? Do you wanna die?  
Do you really wanna die?  
Then join the army, fight a war, drop the bomb  
and don't ask why!

You wanna join the army  
to fight the aliens from out of space  
Meet the kids from planet Mars....and kill them!

The country needs  
you to fight a war or to keep peace  
Send you to the Russians....and kill them!

You got a gun but you got no brain  
Trained to kill and not to complain  
Send you to the Chinese....and kill you!
