

# De Heideroosjes, Rockstar Heaven

Kurt, Jim, Keith and Jimmy  
They were twenty seven  
I wanna play with them in Gods' Rockstar heaven

I blow myself away, I blow  
myself away  
Just blow my head away

If I'm famous and twenty seven  
Then I'll blow myself to heaven  
At the minute my life ends  
I get real Rockstar-friends

Let's play a real cool song  
Made by Jim and Kurt  
Let's print the whole band  
On a T-dye-shirt

Cool idols die young!
