Verse One: Mos Def, Dove, Posdonus

Now, come on y'all, get live get down What we have is a brand new sound So don't none of y'all just be misled The De La's gonna do the body good like wheat bread

Shakin laces out of shoes, Mos Def bought the brews Sittin indian squats to make that red tie knots See I'm out to get the core like in them Rainbow Pops Swingin life like a hammock, invested like stocks

Via sinus complex, I aims to clog it up Snappin by the pain as a crew hear the gain We remain on your mind like skulls, not a golem I'ma show it in the house all perimeters are blown

Native Tongue come through to make you say yes yes This is the body Mos Def style fresh like baby breath

We are the killer combination with the size to administer the beatdown to swell up all three of your eyes

## Chorus

Now check it out, and ya don't stop We got the big brother beat, ya don't stop (repeat 2X)

Verse Two: Mos Def, Posdonus, Dove

I don't bug out I chill, don't be actin ill
No trick in ninety-six, Native Tongue gon build
But we be easy on the cut, no mistakes allowed
Cause to me, MC mean, make it clean
When I speak on groups and I'm smooth like gabba D
Tryin to hang out with Dove and catch love in Aberdine (word up)
I bag dimes like my man born on August 17
Life be nuttin but a river son I'm swimmin upstream

Playin wait up, with the data servin your ears with information due to confirmation of the nation's most wicked ways of livin, like them glassy eyed beans Inhale to smoke the fiends, while bangin a table Rated at the high point of the mass Rippin MC's at the top of a class, occasionally

rippin some sucker's face Or some suckable ass from a girl It's a big brother beat for the wide wide world

I'm makin memos off these demos back in eighty-nine Took you all on encounters of an unknown kind (right) Did the hustle with a couple of us, but soon noted That my niggaz buttered Benedict rolls, and then voted I wrote in the dark so I could feel it like braille (uh-huh) Heard the big brother beat, got locked with no bail Came to set like equators invented, with the heat Yo Mos Def how you radiate to make it complete

RIGHT \*echoes\*, so when I shine the light crabs wince Manifestin for the future here in the present tense No doubt, I love the sound biggin out off your Jeeps Son I want the little kids bangin big brother beats

## Chorus

We straight butter hits, we straight butter hits Manteca, manteta (repeat 3X) Mantequilla Word up
