

De-Lite, Bring Me Your Love

I've been waiting for so long for your love
Won't you bring it to me?

I was in the checkout line
Checking out the mighty fine
By the time I got to the parking lot
I took home more than what I bought

You're my tenderness
My chocolate drop
Don't you ever let your good lovin stop
Bring me your love, stay here with me
Bring me your love
I'll be right here waiting for you

You're my tenderness
My chocolate drop
Don't you ever let your good lovin stop
Bring me your love
I'll be right here waiting for you
