

De Phazz, Atomic Cocktail

Mix it right, shake it up
Be sure to serve it in a cup
Mix it right it's in your hands
To try to find the smoothest blend
Mix it right, shake it up
Crush some ice, cherry on the top
Emulsify a little luck
And quite soon they've doing the duck
Mix it right, shake it up
A sip too much
You'd better stop
Amorous efforts not in rain
And she's doing the duck again
She's doing the duck
Mix it right
