

De/Vision, Bleed Me White

I'm afraid of you
When I see you glare
I will go down on my knees
I'd do anything for you
Want to taste all sins
I lick off your feet
I can't get enough
I can never stop the lust

I keep still now you can bleed me white
If you stay you see my second side
I keep still now you can bleed me white
You'll discover an undying light

I play the fool for you
I lay down my pride
I will go down on my knees
I'd do anything for you
You can seal my fate
I give my heart to you
I can't get enough
I can never stop the lust

I keep still now you can bleed me white
If you stay you see my second side
I keep still now you can bleed me white
You'll discover an undying light
