

De/Vision, I'm Not Dreaming Of You

Theres a feeling within
Getting under my skin
Breakdown
My plane just hit the ground
Got control over me
Got a rise out of me
Downfall
Full tilt against the wall

Of all the things I would ever do
I only regret the fact
That I ever put my trust in you

I can't go on denying
A part of me is dying
Whenever I'm in you
Is it me is it you
I can't go on pretending
This is how were ending
I stopped dreaming of you
And the things we mould do

Like a thorn in the side
A distortion of life
No way, can't take another day
Every storm you create
Every feeling I fake
Wake up my truth became a slut
How hard you try no matter what you do
In the end my dear
Your love won't never be enough for two

I can't go on denying
A part of me is dying
Whenever I'm in you
Is it me?
Is it you?
I can't go on pretending
This is how we're ending
I stopped dreaming of you
And the things we would do

I can't go on denying...

I can't go on pretending
This is how we're ending
I stopped dreaming of you
And the things we would do

This is how we're ending
I'm not dreaming of you
This is how we're ending
I'm not dreaming of you

I'm not dreaming of you
