

# Deacon Blue, I've Been Making Such A Fool

I've been making such a fool of me  
Drinking more than the Irish sea  
Even my old friends say I never should be  
Talking on the last bus telling all the folks  
Of things we did together all on our own

Talking on the last bus telling all the folks  
Of things we did together all on our own

Such a fool of me  
Such a fool of me  
Such a fool of me
