

# Deacon Blue, Ragman

offered her a roof  
the rain had made it shine  
offered her a song  
wasn't really mine

i showed her all my things  
she offered me belongings  
she thought i was a ragman

she offered me possessions  
i tied them in a knot  
wrapped it in a note  
kept it in my pocket

i showed her all my things  
she offered me belongings  
she thought i was a ragman  
i came to her too soon  
she should have had a ragdoll  
and wound up with a ragman

wing and kites and wedding rings  
all these charms i said i'd bring

i showed her all my things  
she offered me belongings  
she thought i was a ragman  
baby you're a rich man  
lost in a small world  
looking for a ragdoll  
wound up with a ragman  
with a ragman  
ragman
