

Dead Boys, Ain't Nothin To Do

I'm so sick of T.V.
You know, I'm getting bored of the tube
I'm so sick of romance
And I'm gettin' real sick of you

I wanna get on out of here
Find me somethin' to do
Yeah, get on outta here
Just aint nothin' to do

I'm so sick of FM
I don't play my stereo too
Just wanna get out on the street fights
Just aint nothin' to do

There aint nothin' to do
Gonna beat up the next hippie I see
Maybe I'll be beatin' up you
Look out, baby here I comes

Yeah, Punch out

There aint nothin' to do
I'm gonna knock down the next old man I see
Maybe I'll be knockin' down you

There aint nothin' to do
"Hey, Cheetah"
"Yeah Stiv"
"I'm bored, lets go pick up some Hilly Girls or something"
"Alright!"
