## Dead Can Dance, I leave you

| You've been chasing butterflies for too long I've watched yo | u from the garden wall You would hold |
|--|---------------------------------------|
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
|  |                                       |
