

Dead Disco, The Treatment

You didn't stand a chance, but you played along with the possibility
Asking her to dance, despite the unlikely probability
Copious alcohol is a ludicrous thing to refuse
What can a girl do when the world seems hazy and confused

Woah oh oh ooh

Woah oh oh ooh

Woah oh oh ooh, oh

You didn't stand a chance, but you got carried away

What happened to romance, is this the fate of today

You know that you've gone too far

You should have stayed in the bar

Get back to her house, it's cheap but rich in innocence

But you can't stop now, though your heart and your head tells you otherwise

Woah oh oh ooh

Woah oh oh ooh

Woah oh oh ooh, oh

You didn't stand a chance, but you got carried away

What happened to romance, is this the fate of today

You know that you've gone too far

You should have stayed in the bar

Woah oh oh ooh

Woah oh oh ooh

Woah oh oh ooh, oh

You didn't stand a chance, but you got carried away

What happened to romance, is this the fate of today

You know that you've gone too far

You should have stayed in the bar

You didn't stand a chance, but you got carried away

What happened to romance, is this the fate of today

You know that you've gone too far

You should have stayed in the bar

Woah oh oh ooh

Woah oh oh ooh

Woah oh oh ooh, oh
