

# Dead Infection, Day Of Decay

Your lungs can't breathe  
Atmosphere is full of stench  
Day of decay here comes To take humans life  
Our love, our feeling  
Is give to hell  
Black view in the future  
People are ruined  
Devastation,  
Mutilation  
People lie on the shit,  
Shit is blent the biles  
Bloody shambles amid people,  
Mental idiots rule over the world
