

Dead Maiko, Lies

Time has come
You're leaving and everything's falling apart
□□□□□(□□)

I am frightened to lie
I am sick and tired
but dread to die
□□□□□

You were my life,
And you were my pain,
Were like a God but burned my brain
You should have stopped
Your life I deny
Sick love I deny

When everything that I believed
is all that you denied
and everything you ever did
I always justified

□□□□□□□□□□□□
□□□□□□ I wanna see you die

Cause everything was meant to be just perfectly fine,
Stay with me, just love me, your blah blah blah

□□□□□□□□
□□□□□□□□□□
□□□□□□

Time has come
You're leaving and everything's falling apart
□□□□□(□□)

I am frightened to lie
I am sick and tired
but dread to die
□□□□□

You were my life,
And you were my pain,
Were like a God but burned my brain
You should have stopped
Your life I deny
Sick love I deny

Now I can see that you and me
We never even tried
This nonsense game, □□tale, pathetic lullaby

□□□□□□□□□□□□
□□□□□□□□□□□□

So never me, so never we
you're not gonna try
You saved my soul,
My pain has grown
and I can't even cry

□□□□□□□□□□
□□□□□
□□□□□□□□□□□□□□

□□□□□

□□□□□□□□□□□□

□□□, □□□, □□□...
