

# Dead Milkmen, Beach Party Vietnam

It's a beach party Vietnam  
Surfin' with the Viet Cong  
Cookin' hot dogs with napalm  
A beach party Vietnam

Frankie and Annette were  
Layin' on the sand  
When Frank got a letter  
From his Uncle Sam

It said: Get Moon Dog and  
All your friends  
You're all invited to a

- Hey Frankie, aren't you gonna give me your class ring?  
- Oh I'm afraid I can't do that, Annette  
- Why not?  
- 'Cause I don't have any arms!
