

Dead Milkmen, Everybody's Got Nice Stuff But M

Everybody's got nice stuff but me
Everybody's got nice stuff but me
Everybody's got nice stuff but me
Everybody's got nice stuff but me

Look at that girl she makes me sick
She's got a wad of bills 6 inches thick
Got a brand new stereo a new TV
Everybody's got nice stuff but me
I want a stereo I want a TV

Everybody's got nice stuff but me
Everybody's got nice stuff but me
Everybody's got nice stuff but me
Everybody's got nice stuff but me

People in nice cars how'd they get em?
I close my eyes try to forget em
Went out swimming got hit by a jet-ski
Everybody's got nice stuff but me
I wanna car I wanna jet-ski

Everybody's got nice stuff but me
Everybody's got nice stuff but me
Everybody's got nice stuff but me
Everybody's got nice stuff but me

She's got eyes of deepest blue
He's got hair that's green
Everybody's got nice stuff but me
I wish I had the kind of cash
To make heads turn when I walk past
I wish I could live in luxury

Everybody's got nice stuff but me
I want cash, I want money
Everybody's got nice stuff but me
I want a stereo I want a TV
Everybody's got nice stuff but me
I want a car I want a jet-ski
Everybody's got nice stuff but me
I want hair that's blue or green
Everybody's got nice stuff but me
Everybody's got nice stuff but me
Everybody's got nice stuff but me
Everybody's got nice stuff but me
