

Dead Milkmen, I Don't Wanna

1, 2, 3, 4!

I don't wanna, I don't wanna
Be a girl
I don't wanna, I don't wanna
Be in the world
I don't wanna, I don't wanna
Cut my hair
Cause I don't wanna, I don't wanna
Have to care

I don't wanna be with you
Cause I don't like the things you do
I don't wanna be with you
Cause I don't like the things you do

I don't wanna, I don't wanna
Punch your face
I don't wanna, I don't wanna
Kiss your lace
I don't wanna, I don't wanna
Be around
Cause I don't wanna, I don't wanna
Fall and hit the ground

I don't like the things you do
I don't wanna be with you
I don't wanna be with you
I don't like the things you do

I guess you know I
Feed the birds
Cause I don't wanna, I don't wanna
Break my word
No I don't wanna, I don't want
You to speak to me
Cause I don't wanna, I don't wanna
Cause a scene

I don't like the things you do
I don't wanna be with you
I don't wanna be with you
Cause I don't like the things you do
