

# Dead Milkmen, Jason's Head

Jason said he's gonna get you in the bed  
But when he does in the morning you'll be dead  
Jason can be a friend to the end  
She said "Jason close your eyes and count to ten"

I think it's obvious  
Jason got real pissed  
About all the guys she kissed

We're goin' down, down, down to the ditch  
Where she said she hid  
What's left of Jason's head

She was out with a guy in her backyard getting high  
Jason said he'd drop by  
He came over for a swim, he was looking mighty trim  
A shot of jealousy stabbed him

And I think it's obvious  
Jason got real pissed  
About all the guys she kissed

We're goin' down, down, down to the ditch  
Where she said she hid  
What's left of Jason's head

What's left of Jason's head (x2)

When you wake up with the sun  
Your whole world will be undone  
Like a bullet in a gun  
You'll be waiting to be sprung

Jason's head will not be found  
Keep it buried in the ground  
Remember, stick to your plan  
Wipe the blood off of your hand
