

# Dead Moon, As Teardrops Break

Why everybody else is still counting out the days, I don't know  
Me, I'm still racing with the hours and I know I can't go  
It's never been easy 'cause I've always been late  
After all these I'm still the same

Maybe it's the way I was brought into the world, a cold night  
It's always been harder for me to be wrong than be right  
Maybe unfounded but important to me  
That after all these years I have the same old dream

Fell into the weary-gone arms of the man I still hold  
Seems we only just got started and we've got a long ways to go  
It's never been easy but it's the best it could be  
For after all these years I'm still me
