Dead Moon, Poor Born

I was poor born out in tin town I'd sing along with Jerry Lee records Trying to get my moves down I was skinny, I was big-nosed The only thing I had on my mind Was trying to do the "please don't" I'm pissed off, pissed off It's just the way I am

I was wasted, I was dumb-struck I'd wake up in the bottom of something Being loaded in a dump truck I was so gone, I was dead-eyed I've been screaming at the top of my lungs Since 1965 I'm pissed off, pissed off, pissed off It's just the way I am

I've been rocked out, I can't cool down I've got a woman who still makes me crazy With the shake of her nightgown I'm still nervous, I ain't been broken I'm still churning and burning inside And I can't stop smokin' I'm pissed off, pissed off It's just the way I am
