

Dead Mushroom, Potion

Oh, when I'm pulling down the gear
I put a vision in my head
And I don't know what you're thinking
I gotta a one way ticket just walk out the door
I ain't got no choice to spare
I gotta feel a real deal
When I'm shaking with my thing
Gotta love me gonna make you so high
I gotta a whole new baby
So I'll take you for a ride
Giving something for me to survive

CHORUS

Ah?

Go and take a shower
Gonna live about an hour

Ah?

Jamming all the way

REPEAT VERSE AND CHORUS
