

Dead Soul Tribe, The Drowning Machine

I've given up on life
There's nothing I can do
I'm losing faith within myself
Losing faith in you

Is there no one here
No one near
Terrified inside my dear
I'm lonely and I fear

I'm crying for so long
Thought I'd never make it through
Everything that I have sacrificed
I have given up for you

Is there no one here
No one near
Terrified inside my dear
I'm lonely and I fear
