

Dead To Fall, Chum Fiesta

Crashing Flowing Swirling
Right from the start
Gnashing Ripping Bleeding
Quickly tears my flesh apart
Through my cloudy vision
Billows of crimson
Signal the feast
One last bite, Coming from all sides
Confusion, pain, mortality
Reminds
That I cannot live
My last hope believe they let me go
Now which way is home?
Now which way is home?
OH SHIT!!!
Here they come again
OH SHIT!!!
Here they come again
Quickly tears my flesh apart
Here they come again
CHUM! CHUM! CHUM! CHUM! CHUM! CHUM! CHUM! CHUM!
My last hope for survival
My last attempt at freedom
My last pointless struggle
Sts me free
They have the right to reclaim whats rightfully theirs
CHUM FIESTA!!!
Quickly tear my flesh apart
Crashing Flowing Swirling
Right from the start
Gnashing Ripping Bleeding
Quickly tear my flesh apart
Crashing Flowing Swirling
Right from the start
Gnashing Ripping Bleeding
Quickly tears my flesh apart
AAAAAAAAAAAAAHHHHHHH!
AAAAAAAAAAAAAHHHHHHH!
AAAAAAAAAAAAAHHHHHHH!
Quickly tears my flesh apart
FUCK!
