Deadboy & The Elephantmen, Blood Music

There was spiders on the floor worth In the corner of the garden All unitedly forever All the doubted for the moment

It's the song that I'm thinking of It was a song called blood Yes it was

There was spiders on the floor worth In the corner of the garden All unitedly forever All the doubted for the moment

All unitedly forever All the doubted for the moment All unitedly forever All the doubted for the moment

It's the song that I'm thinking of It was a song called blood Yes it was

It's the song that I'm thinking of It was a song called blood Yes it was

It's the song that I'm thinking of It was a song called blood (x7)

(x9) It was a song called blood Yes it was
