

# Deadman, Rosa Marie

oh holy night holy holy day  
oh carry me carry me away  
when we first went down  
juarez was a different town  
gracias was all i could say  
rosa marie tonight rosa marie tonight  
blessed marie tonight rosa marie tonight  
you're not looking for love  
just an escape she said  
but the boot is on the other foot this time  
and we we can be friends  
we can make amends  
if your prayers to mary are heard  
rosa marie tonight blessed marie tonight  
rosa marie tonight blessed marie tonight  
i'm not looking for an escape or a holy grail  
i'm not looking for an easy way out  
i'm just drifting by the cross in santa fe  
rosa marie tonight blessed marie tonight  
rosa marie tonight blessed marie tonight  
tonight tonight tonight tonight tonight
