

Deadsy, Replicas

It was hard to avoid
I suppose it was the shame
But they didn't even try
You see we'd never met
and they didn't have names
There was nothing I could do

So I turned on the crowd
And I screamed 'you and you'
'It could have been you

And they seemed to think
That I looked that way
Or maybe I was wrong
So I said.....Do you know Mr. Wall?
and they looked the other way
and then they smiled at me

But the police came
And I said it was me
And I just walked away
