

Deaf Pedestrians, Hail To The Geek

I got a Spiderman t-shirt
I got Converse that are rotting off my feet
I got a bad mustache
A recurring rash
And not a lot of cash
I spend it on my stash
Man it's good to be a geek

Well it's good to be a geek
It's good to be a creep
It's good to draw my pictures
That no one will ever see
It's good to be a geek
It's good to be unknown
It's good I'm never waiting
Right beside the telephone
'Cause no one ever...

I play Dungeons and Dragons
I got a 13th level halfling fighter thief
Got seven hit die on my backstab
Sometimes you know it's good to be a geek

It's good to be a geek
It's good to play the freak
It's good to comb my mullet once every other week
As far as I can see
It's good to play the Wii
Then stay up painting miniatures 'til it's 2 or 3
'Cause no one ever...

Someday I'll learn to play guitar
Start up a band and be a star
And when you wind up pumping gas
Just fill 'er up and kiss my ass

I'm addicted to Star Trek
I'm a Klingon-speaking Federation freak
I find I'm more inclined
To spend the bulk of my time
On the Starship Enterprise
Than talking to girls that I meet

Well I'll never get the girl
But I like to be alone
'Cause I can always masturbate when there's no one home
It's good to have a plan
It's good to be the man
It's good to download porno from a website in Japan
'Cause no one ever...

Someday I'll learn to play guitar
Start up a band and be a star
And when you wind up pumping gas
Just fill 'er up and kiss my ass

Ninth grade is when I got the swirlie
Tenth grade is when I got the Indian burn
Four years of continuous wedgies
Wore nine pairs of briefs so they could all get a turn
Someday I'll buy a fancy condo
Someday I'll drive a car that's more than your house
Someday you'll kiss my ass

It's good to make some noise
It's good to scream aloud
It's good to feel immortal
Like your last name is McCloud
It's good to be a geek
Its good to be unseen
Its good to watch the Wrath of Khan on a plasma screen

It's good to be a geek!
It's good to be the man!
It's good to download porno from a website in Japan!
It's good to be a geek!
It's good to be unknown!
It's good I'm never waiting right beside the telephone!
'Cause no one ever...

I got a bad mustache
A reccurring rash
And not a lot of cash
I spend it on my stash
Man it's good to be a geek
You know I don't intend
To look like Boba Fett
I got my Holland set
Although it makes me sweat
Man it's good to be a geek!
