

Dean Martin, I Can Give You What You Want Now

I CAN GIVE YOU WHAT YOU WANT NOW

(Carl Belew - Van Givens)

'72 Acuff-Rose Music

I can give you what you want now if you still want what I could give
I can give the love you want now your love is all I need to live
I can give you what you want now loneliness has made me see
I can give you what you want now if love is all you need from me
I tried to get the things I wanted but I wanted them for you
When all you ever really needed was a simple I love you
If you can tell me that you love me and mean it like you used to do
I can give you what you want now I can make your dreams come true
I can give you what you want now loneliness has made me see
I can give you what you want now if you still want to see from me
(I can give you what you want now)
