

Dean Martin, I Love Vegas

Drink to me only....that's all I ask.
And I will drink to you.
I don't care if the sun don't shine.
I do my drinking in the evening time.
When I'm in Las Vegas.
You can sit in the sun and camp.
I get my color from a sun ray lamp.
When I'm in Las Vegas.

I love the laughs, I love the life, there's fun of every kind.
Next time I come I'll bring my wife, I'll do that if I lose my mind.
A wife in Vegas take my advice,
It's like going to China with a sack of rice.
But I love Las Vegas.

I love Vegas in the summer.
mmmmmm I love Vegas in the fall.
I love Vegas, when I say that it's a gasser.
I love Vegas like it's Egypt and I'm Nasser
I, I love Vegas every moment,
It's my favorite atmosphere
Oh I, I love Vegas,
Why oh why do I love Vegas?
Because my money's here.

I love Vegas when I'm winning,
mmmmmm I love it when I lose.
I love Vegas, like the army loves it's manuals.
I love Vegas, like Sinatra loves Jack Daniels.
I, I love Vegas every moment.
For Mr. Entratter I must cheer.
Oh I, I love Vegas,
Ich liebe do I love Vegas.
Because my blood is here.

I love Vegas when I'm loaded,
I love it when I am not.
I love Vegas, just like Kruschev loves being indignant,
More than even my wife Jeannie loves being pregnant.

I, I love Vegas every moment,
When I leave I shed a tear.
Oh I, I love Vegas,
Jesus Christ do I love Vegas.
I'll make it, make it good and clear,
It's because.....my girl's right here.
