

# Dean Martin, Makin' Love Ukelele Style

(Making love ukelele style)

(Making love ukelele style)

Making love ukelele style you needn't be in Waikiki

Making love ukelele style to a lovely ukelele serenade

When you love ukelele style

Well everyone knows you're heart will float far away

To a tropic isle while a ukelele tune is softly played

Strolling along beneath the starlight

Dreaming a lover's dream for two

Soon you will see her eyes of starlight

As the ukelele magic comes through

Now if you want to satisfy

The one that you love all else above

Take a tip and be sure you try the ukelele style of making love

Strolling along beneath the starlight

Dreaming a lover's dream for two

Soon you will see her eyes of starlight

As the ukelele magic comes through

Now if you want to satisfy
