

# Dean Martin, Making Love Ukelele Style

(Making love ukelele style)

(Making love ukelele style)

Making love ukelele style you needn't be in Waikiki  
Making love ukelele style to a lovely ukelele serenade

When you love ukelele style  
Well everyone knows you're heart will float far away  
To a tropic isle while a ukelele tune is softly played

Strolling along beneath the starlight  
Dreaming a lover's dream for two  
Soon you will see her eyes of starlight  
As the ukelele magic comes through

Now if you want to satisfy  
The one that you love all else above  
Take a tip and be sure you try the ukelele style of making love
