

Dean Martin, Marshmallow World

It's a marshmallow world in the winter
When the snow comes to cover the ground
It's the time for play, it's a whipped cream day
I wait for it the whole year round.

Those are marshmallow clouds being friendly
In the arms of the evergreen trees
And the sun is red like a pumpkin head
It's shining so your nose wont freeze.

The world is your snowball, see how it grows
Thats how it goes whenever it snows
The world is your snowball just for a song
Get out and roll it along

It's a yum-yummy world made for sweethearts
Take a walk with your favorite girl
It's a sugar date, what if spring is late
In winter it's a marshmallow world.
