

# Dean Martin, Mistletoe And Holly

Oh, by gosh, by golly  
It's time for mistletoe and holly  
Tasty pheasants, Christmas presents  
Countrysides covered with snow

Oh, by gosh, by jingle  
It's time for carols and Kris Kringle  
Overeating, merry greetings  
From relatives you don't know

Then comes that big night  
Giving the tree the trim  
You'll hear voices by starlight  
Singing a Yuletide hymn

Oh, by gosh, by golly  
It's time for mistletoe and holly  
Fancy ties an' granny's pies  
An' folks stealin' a kiss or two  
As they whisper, "Merry Christmas" to you

[Interlude:  
Then comes that big night  
Giving the tree the trim  
You'll hear voices by starlight  
Singing a Yuletide hymn]

Oh, by gosh, by golly  
It's time for mistletoe and holly  
Fancy ties an' granny's pies  
An' folks stealin' a kiss or two  
As they whisper, "Merry Christmas" to you
