

# Dean Martin, Someday (You'll Want Me To Want

I note that someday you'd want me to want you  
When I'm in love with somebody else  
You expect me to be true and to keep on loving you  
Though I'm feeling blue  
You'd think I can't forget you  
Until someday you'll want me to want you  
When I'm strong for somebody new  
And though you don't want me now  
I'll get along somehow  
And then I won't won't want you

Until someday you'll want me to want you  
When I'm strong for somebody new  
Although you don't want me now  
I'll get along somehow  
And then I won't I won't want you
