

Dean Martin, Sunflower

I was born in Texas
I was bred in Kansas
When I get married I'll be wed in Kansas
There's a true blue gal who promised she would wait
She's a sunflower from the Sunflower State

She's a sunflower, she's my sunflower
And I know we'll never part
She's my sunflower, she's my one flower
She's a flower of my heart

I was fair in Kansas, clouds are rare in Kansas
Never saw a place that could compare with Kansas
So I'm going home to keep a wedding date
With a sunflower from the Sunflower State

She's a sunflower, she's my sunflower
And I know we'll never part
She's a sunflower, she's my one flower
She's a flower of my heart
