Dean Martin, Sunflower

I was born in Texas I was bred in Kansas When I get married I'll be wed in Kansas There's a true blue gal who promised she would wait She's a sunflower from the Sunflower State

She's a sunflower, she's my sunflower And I know we'll never part She's my sunflower, she's my one flower She's a flower of my heart

I was fair in Kansas, clouds are rare in Kansas Never saw a place that could compare with Kansas So I'm going home to keep a wedding date With a sunflower from the Sunflower State

She's a sunflower, she's my sunflower And I know we'll never part She's a sunflower, she's my one flower She's a flower of my heart
