

Dean Martin, The Birds And The Bees

Let me tell you 'bout the birds and the bees
and the flowers and the trees,
the moon up above, and the thing called love.

Let me tell you 'bout the stars in the sky,
the girl and the guy
and the way they could kiss
on a night like this.

When I look into your big brown eyes,
it's very plain to see
that it's time you learn about the facts in life
startin' from A to Z.

Let me tell you 'bout the birds...

(Solo)

When I look into your big brown eyes...

Well, let me tell you 'bout the birds and the bees...
Let me tell you 'bout the birds and the bees,
the flowers and the trees,
the stars in the sky, a girl and a guy.
The birds and the bees,
the flowers and the trees,
the stars in the sky and a girl and a guy...
