

Dean Martin, Welcome To My World

Welcome to my world
won't you come on in
miracles i guess
still happen now and then

Step into my heart
leave your cares behind
welcome to my world
build with you and mine

knock and the door will open
seek and you will find
ask and you'll be given
the key to this world of mine

I will be waiting here
with my arms onfold(?)
waiting just for you
welcome to my world

waiting just for you
welcome to my world
