

Dean Strickland, Fuck All Those A & R Guys

I ain't gonna be no sellout
I ain't gonna be one of them
I'm gonna be independent
And play my music the best that I can

I ain't gonna pay them corporations no mind
They ain't nobody no way
Doing it on my own and I feel fine
Now my guitar I'm a gonna play

But I'll feel low tomorrow
'Cause I'll never be signed
So I'll get high
F**k all those A & R guys

I may sound commercial and dated
But I'm doing what I wanna do
I'm living free taking it easy
Playing music acting cool

But I'll feel low tomorrow
'Cause I'll never be signed
I'll just get high
F**k all those A & R guys

I may never go out and break any records
I may never perform for a very big crowd
I'll do my best to live for myself and others
And follow my heart
You think I'd be proud

But I'll feel low tomorrow
'Cause I'll never be signed
Might as well get high
F**k all those A & R guys
F**k all those A & R
F**k all those A & R
F**k all those A & R guys
