## Dean Strickland, Fuck All Those A & R Guys

I ain't gonna be no sellout I ain't gonna be one of them I'm gonna be independent And play my music the best that I can

I ain't gonna pay them corporations no mind They ain't nobody no way Doing it on my own and I feel fine Now my guitar I'm a gonna play

But I'll feel low tomorrow 'Cause I'll never be signed So I'll get high F\*\*k all those A & Dys

I may sound commercial and dated But I'm doing what I wanna do I'm living free taking it easy Playing music acting cool

But I'll feel low tomorrow 'Cause I'll never be signed I'll just get high F\*\*k all those A & Dys

I may never go out and break any records I may never perform for a very big crowd I'll do my best to live for myself and others And follow my heart You think I'd be proud

But I'll feel low tomorrow
'Cause I'll never be signed
Might as well get high
