

# Dean Strickland, If I Believe

If I Believe

That what happens to me

Is being overseen

By he who's ungodly

Should I believe

That I will never see

The end result of my dream

As I hope it will be

Should I change my ways

If I want to see brighter days

Or will his darkness lead me to where I want to go

The answer that I want to know most of all

Is if I try to sell my soul to sin for rock n roll

Will I get what I want out of life, or will reality for me always be

Suffering strife

If I believe

That what happens to me

Is being overseen

By he who is godly

Should I believe

That I will surely see

The end result of my dream

As I hope it will be

Should I change my ways if I want to see brighter days? Will the light of God lead me to where I want to go?

The answer that I want to know most of all

Is if I choose to let Jesus save my mortal soul

Will I get what I want out of life,

Or will reality for me continue to be

Suffering strife?

If I believe

That what happens to me

Is being overseen

By absolutely nothing

Tell me please

What will happen to me

If the end result of my dream

Is not what I had hoped it would be?

If I choose to believe

That nothing is the way

Are the chances of me ever seeing brighter days

Zero to nothin'

Will I ever get to where I want to go?

The answer that I want to know most of all

Is if I choose for myself a life of rock n roll

And let nothing take control of my life

When I die will I be set free from all my

Suffering strife
