

Dean Strickland, Suicide Note (I'm Doing This)

I'm doing this
cause noyone gives a damn
I'm doing this
And no one understands
I'm doing this
though you won't care at all
I'm doing this
everyones fault

I'm doing this
'Cause noyone hears my cry
I'm doing this
I just want to die
I'm doing this
I know you won't care at all
I'm doing this
life really sucks!

I'm doing this
trying doesn't make since
I'm doing this
Can't you take a hint
I'm doing this
Isn't it what you wished
I'm doing this
lifes a Bitch

I'm doing this
Goodbye one and all
I'm doing this
I'm paying Hell a call
I'm doing this
no fight left in me
I'm doing this
Time to die!!!!
