

Dean Strickland, The Good Lord Knows

As a child I would daydream
Of interviews full of questions for me
And a feature spot on TV
And radio show where I'd sing

CHORUS:

How far can I go?
There's only one who knows
The good Lord knows

CHORUS

As long as I have my strength
And a dedicated mind to do so
I'll stay positive and focused

And go anywhere I wanna go

CHORUS

CHORUS

I made a wise decision
Lookin' back I'd say quite some time ago
That when good or bad things happen
I'll leave my life in His hands and go with the flow

CHORUS

CHORUS
