

# Deana Carter, Everything's Gonna Be Alright

(Written by Fred Carter Jr.)

There are times when my heart is uneasy with fear  
The answers are nowhere in sight  
Then I hear a sweet voice whisper soft in my ear  
Everything's gonna be alright

When I see the people with hunger in their eyes  
And no guidance through the night  
Once again that sweet voice whispers soft in my ear, sayin'  
Everything's gonna be alright

I'll show you the way if you'll only believe  
Everything's gonna be alright  
I'll show you the way if you just believe me  
Everything's gonna be alright

Now I can see it's all comin' home  
The message rings clear and bright  
Just as He promised, no one ever walks alone  
And His love will show the light

See the light shine, oh how it shines  
Everything's gonna be alright  
See the light shine, oh how it shines  
Everything's gonna be alright  
Everything's gonna be alright  
Everything's gonna be alright  
Everything's gonna be alright  
Everything's gonna be alright
