

# Deana Carter, Make Up Your Mind

i dont understand the things you do  
the more you think the more i think you are confused  
it shouldn't be so hard to figure out  
what you can and can not live without so why can't you

CHORUS make up your mind  
im going crazy  
after all this time you'd think that maybe  
you would realize  
that no one could love you like i do  
and i just can't keep waiting here for you  
to make up your mind

i dont know what it is that your searching for  
i wonder if you wonder if theres something more out there  
and even though it'll break my heart  
i cant keep going on and on the way things are, it's not fair

REPEAT CHORUS

i dont wanna have to tell you goodbye  
but baby trust me i will  
and i might regret it for the rest of my life  
but i can't change the way i feel  
dont you realize that no one else could love you  
like i do but i just cant keep waiting here for you  
to make up your mind  
i dont understand the things you do  
the more you think the more i think you are confused  
make up your mind  
make up your mind  
make up your mind  
make up your mind
