

# Death Angel, Mind Rape

[R. Cavestany, A. Galcon]

Leader of a hippie cult  
The devilish chief  
Directs his wicked family  
To kill psychotically  
Dying in agony  
As he observes patiently  
A quitless bloody murder  
In vain enigmatically

[Chorus]  
They truly believe  
That he is Jesus Christ  
As their bodies are raped  
Of their minds

Your minds are filled with his lies  
And soon reality's deprived  
From your life  
No sense makes sense  
In this world  
He has your brainwashed mind  
Under control

In the caverns  
You are led  
Where memory and thoughts  
Are dead  
Your savior is all you need  
And off his love you feed  
Dejected utterly  
X'd from society  
Killed for a so called god  
Pledge allegiance to your family

[Chorus]  
[Repeat 1st verse]  
[Chorus]
